The *Workers Compensation Act* requires that the employer must post a copy of this report in a conspicuous place at or near the workplace inspected for at least seven days, or until compliance has been achieved, whichever is the longer period. A copy of this report must also be given to the joint committee or worker health and safety representative, as applicable.

A revised version of the *Workers Compensation Act* took effect on April 6, 2020. The B.C. government's revisions aim to make the Act easier to read and understand, and to reorganize the numbering to make laws easier to find. The revisions make no changes to B.C.'s laws concerning workers' compensation, occupational health and safety, and employers' assessment premiums. Please be aware there may be a transitional period where correspondence from WorkSafeBC may include references to either the previous Act or the revised Act. ## INSPECTION NOTES

Re: BHQ 42543

WorkSafeBC jurisdiction under Prevention Policy Item P2-21-2, Employer Duties - Workplace Bullying and Harassment, is to ensure that employers take reasonable steps to prevent where possible, or otherwise minimize, workplace bullying and harassment. This includes responding to complaints in accordance with the employer's procedures, and in a fair and impartial manner, as outlined in WorkSafeBC Guideline G-P2-21(1)-3, Bullying and Harassment.

WorkSafeBC Guideline G-P2-21(1)-3 provides that procedures for responding must ensure a reasonable response to the complaint or incident and aim to fully address the incident and ensure that bullying and harassment is prevented or minimized in the future.

Based on the evidence provided by the employer, I find that the employer's response to this matter is compliant with WorkSafeBC requirements.
